Course description - Including aims & objectives

The course will use writing, reading and listening materials to gain basic French language structures. The emphasis will be on being able to converse on a range of everyday subjects and which will helpful when in France.

Learning Outcomes: By the end of the 30 week (3 Terms) course you will have the opportunity to:

- · greet people and introduce yourself
- · talk about your family and where you live
- · learn how to find your way around a town in a French speaking country
- · go shopping
- · talk about your hobbies
- · describe your daily and weekly routine
- · talk about your likes and dislikes
- · order food in a restaurant or drinks and snacks in a bar
- · compare and contrast and start to express points of view
- talk about events in the past

How Progress & Success will be recorded:

As the course progresses we will constantly revise the language previously covered and there will be repeated supportive checking of understanding and learning during every class. There will also be informal tests from time to time to help students focus on where they are in the course and what they

should ideally know. Each student will be expected to complete an individual tracker form to monitor their goals throughout the course

Any further next steps

It is always helpful to make a note of your past experience with the language - studies, visits to France, and even bring examples of any work you may have done!
