Logical structure	
Clear presentation	
Good subject content	
Effective Literacy	
Evidence of research	

<i>Departmental checklist</i>	
Revision Tips	
At least three sections on three topics you have covered this year	
One section on one grammar point	

Useful Resources:

- *Expo textbooks*
- *Your class book*
- *Look at other sample revision guides (including ones that have been produced by pupils in the past.)*

Extra things you could do:

- *Produce four or five sections on topics you have covered this year instead of three.*
