Dear Parent/Carer

## Year 8 – Maths

We are now very close to the half-way point of our first term in this academic year.

All Year 8 students have now had the chance to settle in and get to know their teachers and routines.

I am writing to inform you that we plan to administer a mid term test in Mathematics for all the Key stage 3 students in order to assess their progress and inform our teaching moving forwards.

This test will take place in the first week after the Autumn half term.

In order to enable your child to revise and be prepared for this test, I am attaching a practice test and corresponding mark scheme to this letter. Should you have any queries, please feel free to contact me by email – [mgrezio@elycollege.co.uk](mailto:mgrezio@elycollege.co.uk)

Yours faithfully

Mr M Grezio  
Lead Practitioner Maths
