Dear Parent/Carer

Public Services

As part of the Public Services course, we will be taking students to the fire station to conduct some of their course assessments and develop their understanding of public services as well as the skills they require.

The dates of these visits to the fire station are as follows:

Thursday 30th November

Thursday 7th December

Students should report to college for 8.30am, and walk to the fire station departing promptly at 8.35am. We aim to return to college for morning break at 10.55am. Students will be provided with personal protective equipment that the service uses, and conduct some team building activities as part of the services training and testing themselves against the entry requirements of the service.

If you have any queries about this visit, please do not hesitate to contact me:

Yours faithfully
