

10<sup>th</sup> November 2017

Dear Parent/Carer

I am writing to inform you of your child's current programme of study within BTEC level 1 / 2 Sport and some useful information which will impact upon the final achievement on the course.

Across the 3 year programme of study students complete four units within BTEC Sport, three of these are internally accessed course work style units, whilst the final unit for assessment is an online examination. During their first year of the course they were able to complete unit 5 which was based on designing and implementing a personal training plan. Currently they are working on unit 6 which involves them leading and reviewing sessions. After Christmas they will move on to the online examination where they will be required to revise content taught in lessons in preparation for sitting the exam.

Therefore, in order to support student progress, we are running an after school catch up session on Thursdays from 3.15pm to 4.15pm which will run until completion of the course. This will be led by Mr Bradley and Miss Bays. This is an excellent opportunity for your child to catch up on any outstanding assignments, improve grades on assignments to meet or exceed targets and to be guided through their revision for the exam by giving them 1:1 support.

I would like to ask for your support, in the sense that I recommend all pupils attend catch up sessions where possible to ensure they complete their coursework and fully prepare for the exam to achieve the best outcomes possible.

Yours faithfully

Miss G Bays  
Teacher of PE
