Dear Parent/Carer

GCSE Design and Technology

We would like to offer you the opportunity to purchase discounted GCSE revision guides for your child’s studies in Design and Technology.

I have been contacted by the Publishers of ‘AQA GCSE Revision, Design and Technology’– Collins Publishing – who are willing to sell copies to us priced at £3.99 each. The revision guide is an ‘all-in-one’ version which includes revision and practice questions.

- AQA GCSE Design and Technology – All-in-one Revision and Practice (ISBN978-0-00-822740-1)

I highly recommend this book as it contains all of the necessary knowledge that your child will need to know in preparation for their exam, and will also assist with the completion of their coursework. The books will also be used in class. The exam questions book has exam level questions to complete as they prepare for their exams in the summer, and is particularly useful for independent revision outside school.

The revision guide also provides access to the e-book which can be accessed once the Revision has been brought. The site contains the information which can be found in the Revision guide along with exam questions and tasks to try out.

If you are interested in purchasing either of these books through the college, we would prefer you to make your payment online and return the slip below to the Finance office by Friday 5th January 2018. If this is not possible, please make your cheque payable to Ely College. If your child is eligible for pupil premium support and you would like to access some of this funding towards the guide books, please indicate on the slip below.

Yours faithfully

Miss V Collin
Head of Technology

GCSE Product Design - Purchase of GCSE Revision Guides

Student Name

Form.....

Please tick: -

I wish to purchase the revision guides and have paid online/enclose payment £3.99 (delete as appropriate)

My child is eligible for pupil premium support and I would like to access some of this funding towards the revision guides.
