

9th January 2018

Dear Parents/Carers of Year 11 History Students

History Revision Clinics

As I am sure you are aware the greatest impact on improving your son / daughter's grades for their GCSE exams is through effective revision. As well as offering the revision guides we will continue to offer revision sessions after school from 15th January. They will initially take students through the warfare unit and then we will look to cover Anglo Saxons and then Weimar and Nazi Germany. In addition, we will offer 'drop in' sessions every lunch time in D5, where students can come and revise materials they want to cover. A staff member will be there to offer advice and resources when needed.

A register of students attending will be kept, we will email you to let you know if your son / daughter has attended the sessions. If you have any queries about your son / daughter's attendance you can email me on rhancock@elycollege.co.uk

Revision is extremely important; students have a great deal of content to recall for their history exams. Please encourage your son / daughter to revise regularly at home using a variety of methods, such as; timelines, flash cards, exemplar papers, revision guides, mind maps and note taking. Completing homework is another crucial aspect to success in History, at the moment there are a number of students that are not completing it to the best of their ability.

Thank you for your support.

Yours faithfully

Mr R Hancock
Subject Leader – History
