Dear Parent/Carer

Yr 11 Easter Revision Sessions

I hope that you have had a chance to look at the revision sessions available over the Easter holidays. There is a link to book onto the sessions, which will allow staff to have an idea of who will be attending <https://www.surveymonkey.co.uk/r/Easter-Rev-18>

Please encourage your child to book onto sessions carefully so that staff have a clear indication. If you or your child have any problems with this, please email me directly and I will help. If they don't log on, your child can still attend the sessions.

There are still many lunchtime and after school sessions that are taking place and I would like to remind you of these. These are on the Year 11 Matters timetable that has been circulated previously and is on the website.

If there are any students that are still struggling with revision timetables or revision techniques, I would like to remind them that I am available in the Bistro at lunchtimes on Monday, Tuesday and Friday. Students can also speak with their form tutors.

Staff are currently looking at predicted grades again and these will be shared with students and parents after Easter. It is never too late to start revising, but for those that have not started, Easter is a good time!

On a completely different note, it seems that most students have attended guidance meetings, or have dates set up. If this is not the case for your child or you are concerned that they do not have an offer, please let me know before Easter so that I can address the situation.

Should you have any questions about Easter revision, post-16 options or any other Year 11 issue, please do not hesitate to contact me rmustill@elycollege.co.uk

Yours faithfully

Mrs R Mustill
Year 11 Achievement Leader
