

23rd April 2018

Dear Parent/Carer

Bobby Moore Fund – Football Shirt Friday

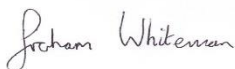

The Bobby Moore Fund for Cancer Research UK was set up by Stephanie Moore MBE, Bobby's widow, in his memory to fund pioneering, life-saving bowel cancer research. Football Shirt Friday is on Friday 27th April 2018 which involves wearing your football shirt to work/school and support life-saving bowel cancer research.

As part of this fundraising event Ely College are giving permission for students to wear their football shirts on Friday 27th April 2018 for the entire day as part of the Football Shirt Friday event. At this point it is important to understand that students are still expected to wear their school shoes, school trousers/skirt and school blazer. If your son/daughter decides to wear their football shirt for Football Shirt Friday on 27th April 2018 then they will need to make a minimum donation of £2.00 towards this charity. Cash donations will be collected in by Form Tutors on this morning.

If you have any questions, please don't hesitate to contact me:
