

26th June 2018

Dear Parent/Carer

Year 8 Tests

As Year 8 students transition into Year 9, it is essential that we have a clear understanding on their progress from the start of their time with us and also have an idea of where the cohort sit alongside their peers nationally. To give us this valuable information, students in Year 8 will be sitting a series of tests in English, Maths and Science over the next few days. The nature of these tests means that students cannot revise or prepare for them and we do not want students to worry about taking them.

Your child will have been told about these tests, and for your information the timetable is below:

	Wednesday 27 th June	Thursday 28 th June	Friday 29 th June
Period 1&2	8E English	8W English	8E Science
Period 3&4	8E Maths	8W Maths	8W Science

Students have up to two hours, if needed, to complete each test.

If you have any questions regarding these tests, then please don't hesitate to contact me:
knorton-berry@elycollege.co.uk

Yours faithfully

Dr KJ Norton-Berry
Assistant Principal – Scott house
