

9<sup>th</sup> July 2018

Dear Parent/Carer

## Sports Day

As I hope many of you are aware next week sees our inaugural whole school Sports Day take place on Wednesday 18<sup>th</sup> July. We are extremely excited about what should be a wonderful day that sees our four houses compete against one another to be crowned champions.

The event will see students involved in sports based activities all day meaning they will not be expected to attend lessons and will be allowed to come to school in their PE kit. As we look ahead to next week's weather forecast, in addition to wearing their PE Kit for the day can I ask that students bring a sun hat, sun cream, plenty of water, sun glasses and any other personal items required in the event of sunny and warm weather. In the seemingly unlikely event of cooler/wetter weather, some extra layers will be required.

Due to the nature of the event students may like to bring additional food/snacks for the day. Alongside our usual canteen opening we will be running a cash based tuck shop which will sell items such as drinks, ice creams and chocolates etc. Money raised from the tuck shop will be reinvested in to the college facilities and equipment, so please support if you can.

We will be monitoring the weather over the coming days and should temperatures exceed a safe level for the event, or major storms be forecast, we may be required to cancel the event. If this is the case, we will notify all parents/carers and students via InTouch email and our social media so please keep an eye out.

Yours faithfully

Jason Coe  
Curriculum Lead PE
