

5th July 2018

Dear Parent/carers

Year 7 Tests

As Year 7 students transition into Year 8 it is essential that we have a clear understanding on their progress from the start of their time with us and also have an idea of where the cohort sit alongside their peers nationally. To give us this valuable information, students in Year 7 will be sitting a series of tests in English and Maths next week. These will be similar to the baseline tests that were taken at the start of the academic year. The nature of the tests means that you cannot revise or prepare for them and we do not want students to worry about taking them.

Your child will have been told about these test and for your information the timetable is below:

	Monday 9 th July	Wednesday 11 th July	Thursday 12 th July
Period 1&2	7E English	7W English	English catch up
Period 3&4	7E Maths	7W Maths	Maths catch up

There is no set time limit for the tests, students are allowed to take the time they need to complete but for each test this is typically no longer than 1 hour.

If you have any questions regarding these tests, then please don't hesitate to contact me: knorton-berry@elycollege.co.uk

Yours faithfully

Dr KJ Norton-Berry
Assistant Principal – Scott house
