27<sup>th</sup> January 2017

To: Parents/Carers of Y8 students

Dear Parent/Carer

I am pleased to attach the second tracking report for your child outlining how they are progressing in Key Stage 3 study at Ely College. Following the publication of this report, your child will receive an academic mentoring session with their tutor. The tutor will then make contact with you to discuss or share any actions that have been agreed. You will see from the report that there is a second page which highlights a change to how Maths are reporting progress and explains what the information means.

If you have any questions regarding the report, in the first instance please contact your child's form tutor who will answer your query. Instructions for contacting staff can be found in the 'Parental Points of Contact' section on the school website under the 'Contact Us' menu

<http://www.elycollege.com/contact>

We hope that you find this report useful and informative. You will receive the third, and final, report for the year mid-May.

Yours faithfully

Richard Spencer  
Principal
