

Welcome to The Hideaway. Ely College and Bishop Laney Sixth Form are proud to announce the refurbishment of the hair and beauty training salons!

Client Experience

The enhanced salon areas offer students an exceptional learning experience in a well-equipped, realistic and professional environment supported by highly experienced industry practitioners.

Students offer a full range of inexpensive hairdressing and beauty services and treatments to the public, as well as staff and students. All services and treatments are performed using industry standard products giving clients a true salon experience.

Education

Students are able to achieve industry recognised qualifications at Level 2 and 3 enabling employment, entrepreneurship or further study routes through the varied pathways available in the hair and beauty sector.

In addition, we recognise students need adaptability for today's business needs and to support this our teaching and learning places high value on soft skills such as communication, teamwork, problem-solving and flexibility, helping to ensure successful career pathways.
