3<sup>rd</sup> March 2017

Dear Parent/Carer

**Maths Feast 2017**

It is with great pleasure we write to confirm that your child has been chosen as a member of the team that will represent Ely College at the Further Mathematics Support Programme Year 10 Maths Feast 2017.

This will take place on 15<sup>th</sup> March 2017 at Kesgrave High School, Kesgrave, Ipswich, IP5 2PB. Students will travel with accompanied staff by minibus. We will leave school at 2.30pm and aim to arrive back to Ely College at approximately 8.00pm. (The Maths Feast itself runs from 4.00-7.00pm). You are responsible for collecting your child from College at 8.00pm. This event is free of charge. We suggest that students bring some tea to eat on the way to the venue.

This is a national competition which combines mathematical, communication and teamwork skills and offers students another way to express and develop their enjoyment of mathematics. In order to promote this work, local media may be invited to come along and report on the day. So I would be grateful if you could give permission for your son/daughter to be photographed or filmed if he/she is asked, or if he/she is captured in the background of a photograph; or better still is a member of the winning team!

Please complete and return the reply slip to me by Wednesday 8<sup>th</sup> March 2017. If you have any queries or questions regarding this trip, then please don't hesitate to contact me via email:
