

MAY 2017

Dear Parents, Academy Council and Friends of Cambridge Meridian Academies Trust

As you will be aware, your school is part of the Cambridge Meridian Academies Trust. The work of the trust is overseen by a board of up to 12 trustees which meets approximately half termly. We are currently seeking to recruit up to two new members of the board to further develop our skills and to represent the breadth of academies we now work with. This is a particularly interesting time for all involved in the academy movement and we would be very keen to hear from anyone interested in becoming part of our team. We have recently been delighted to confirm that our trust will run two of the new free schools announced in April 2017 by the Education Secretary Justine Greening.

The Trust would like to have geographically representation and therefore would be very interested in anyone from the East Northamptonshire, Peterborough or South Lincolnshire areas.

The Trust is especially interested in those who may meet one or other of the following criteria, HR/Personnel or Premises/Estates and Secondary School Standards or Special Educational Needs.

We are also working with a government agency called the Academy Ambassadors who are a bespoke matching service for governance. <https://www.academyambassadors.org>

Full details and application form are on the Cambridge Meridian Academies website: <http://www.cmatrust.co.uk/category/news/>

If, after you have read the materials you are interested in finding out more and/or about the interview process, please do not hesitate to contact Suzanne Cooper, CMAT Governance and Compliance Manager at governance@cmatrust.net

We would also very much appreciate it if you would share this with someone you know who may be interested and/or if you have a positive way of sharing this with people in your wider workplace network, we would be most grateful.

Kind regards

Shirley Jamieson

Shirley Jamieson
Chair of the Trustees
