

5 June 2017

Dear Parent/Carer

Yr 10 Maths Interventions

Recent analysis of your child’s progress in mathematics suggests that they would benefit from some focussed intervention work. We would like to invite them to attend five after school sessions on a Wednesday which will focus on consolidating some of the fundamental skills within mathematics.

The dates are:

7, 14, 21, 28 June 3.15 – 4.15pm
12 July 3.15 – 4.15pm

These sessions will cover a range of topics including:

- Expanding/Factorising expressions
- Rearranging and solving equations
- Quadratics
- Powers and Roots
- Straight line graphs
- Ratio and Proportion

I would urge you to encourage your child to attend all of these sessions as they will not only cover the skills but also give your child the opportunity to grow in confidence in applying the skills to exam questions.

Please complete the reply slip below to indicate that your child will attend the five sessions and return to Miss Denney or their maths teacher by Tuesday 6 June 2017.

Yours faithfully

Miss S Denney
Curriculum Lead – Maths

Yr 10 Maths Interventions

I give consent for my child to attend the five intervention sessions on: 7, 14, 21, 28 June and 12 July 2017.

My child is unable to attend the intervention sessions.

Name of child Form

Signed Parent/Carer Date

Please return this slip to Miss Denney by 6 June 2017, thank you.
