11th July 2016

To Parents/Carers of selected Students

Dear Parent/Carer

St John's College visit, Wednesday 19th July 2017

As part of the Preparation for Working Life course Ely College and St John's College have worked together to arrange an exciting, educational visit to St John's College Cambridge. The visit will take place on Wednesday 19th July 2017 and will include a tour of the College and an opportunity to meet employees giving an insight into working and studying at St John's College.

The purpose of the visit is to reinforce the learning taking place in the classroom and to allow students to plan for post 16 progression. The event will also support the understanding of roles and opportunities in the tourist and education employment sector. These topics are linked to the PFWL curriculum and will motivate and inform the students in time for their final year of study.

We plan to take the students to St John's College by mini bus departing Ely College at 8.30am, returning at 3.00pm in time for the school buses. St John's College will be providing us with lunch, so there is no need for you to supply lunch on this day.

In addition to the tour of St John's College we will take in the sights of Cambridge City Centre by way of an open top bus.

The visit has been made possible due to funding from the Cambridge Area Partnership, therefore, no costs are incurred. Please do not hesitate to contact me via email if you have any questions dmackintosh@elycollege.co.uk

Yours faithfully
