

15 September 2017

Dear Parent/Carer

Our Year 11 students have now reached the year which marks the end of their secondary education. It is a time when important decisions about the future have to be made and all young people will be required to stay in education or training until their 18<sup>th</sup> birthday.

We would like to invite you to a **Post-16 Progression Evening** in the Assembly Hall and Dining Room at the College on **Wednesday 4 October at 7.00pm until 8.30pm**. The purpose of this evening is to give you information on the opportunities available to students when they leave school and the range of courses available to them in Post-16 Education.

There will be a 20-minute talk in the Assembly Hall and to avoid congestion in the Dining Room this will be delivered twice:

Session A at 7.00pm for students in Etheldreda and Scott Houses

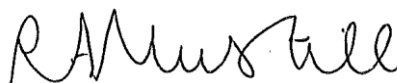

Session B at 7.40pm for students in Franklin and Turing Houses

Information about how to apply for Post-16 provision will be given out during the evening and a reminder of the **personalised username and login details for UCASProgress will also be issued to parents and students**, so it is important that you attend.

Throughout the evening in the Dining Room, there will be stands and representatives from local Sixth Form Colleges including Bishop Laney, Cambridge Regional College, College of West Anglia, Hills Road and Long Road Sixth Forms.

We look forward to seeing you at this very important event.

Yours faithfully

Rachael Mustill

**Year 11 Achievement Leader**
