Dear Parent/Carer

Uniform

I would like to thank all families for supporting us in raising the standard of our uniform. We are aware that a few of our students are still awaiting the delivery of their blazer and we would like to thank you for your patience. However, there is a tiny minority who are not quite meeting the challenge. Whether it is the style of trousers, length of skirt and/or formal shoes, we have delivered a clear message in what is expected and we would like to achieve this.

To underline the importance of these standards, students who are not in the correct uniform will receive an after-school detention. This detention will be applied every day that the student is not meeting our uniform expectations. If your son/daughter/young person normally requires a bus to get home, you will be required to arrange transport for them. This approach was adopted last year and had the desired impact in raising standards quickly.

We felt it is important to make you aware. For the avoidance of any doubt, our guidance is attached to this letter and is available to view on our website.

If you have any questions or concerns regarding uniform, please contact the relevant senior tutor or House office. We will endeavour to work with you to ensure that all of our students are able to meet the high standards we expect.

Thank you for your continued support in this matter and in helping us to raise standards and improve the aspirations and outcomes of every student here at Ely College.

Yours faithfully

Richard Spencer
