

27th September 2017

Dear Parent/Carer

MacMillan Coffee Morning

As part of our contribution to the wider community this Friday (29th September 2017) we will be aiming to support MacMillan Nurses' Coffee Morning. Thanks to a generous contribution from our local Tesco store and the work of our catering students and staff we will be taking part in the annual "Coffee Morning" fund raiser. We hope to both raise awareness of their work and to raise some money to support this terrific cause.

Students will receive a slice of cake in their form time on Friday morning, and will have the opportunity to have a cup of hot chocolate at break. This will be available to all students, we would, however, encourage a small donation in support of the charity, a recommended £1.00 contribution is suggested, but in reality any donation, however large or small, will be gratefully received. Donations will be collected by form tutors during morning registration.

I would like to thank you in advance for your support and we know our collected efforts (big or small) will hopefully improve the experiences of those with cancer, those working with people with cancer or the families of those affected.
