

New Year, New Course!

This term we have two new writing courses to offer, Creative Writing and Poetry, and Business Communications covering business letters, emails, taking minutes and CVs. Our Touch Typing and computer courses also complement these.

Our cupcake range offers something from the complete beginner to the more advanced decorating skills.

Why not pamper yourself with our Care for your Hands and Feet, offering advice and guidance on manicures and pedicures. Or indulge in our Facials and Make-up, How to Look Good course for the best possible looks for the spring. We also have Indian Head Massage and Back, Neck and Shoulder Massage to offer relaxing therapies.

Our creative skills courses offer Calligraphy, Sewing for beg/int, Silversmithing, Jewellery Making, Pottery, Watercolours, Glass Painting and Life Drawing

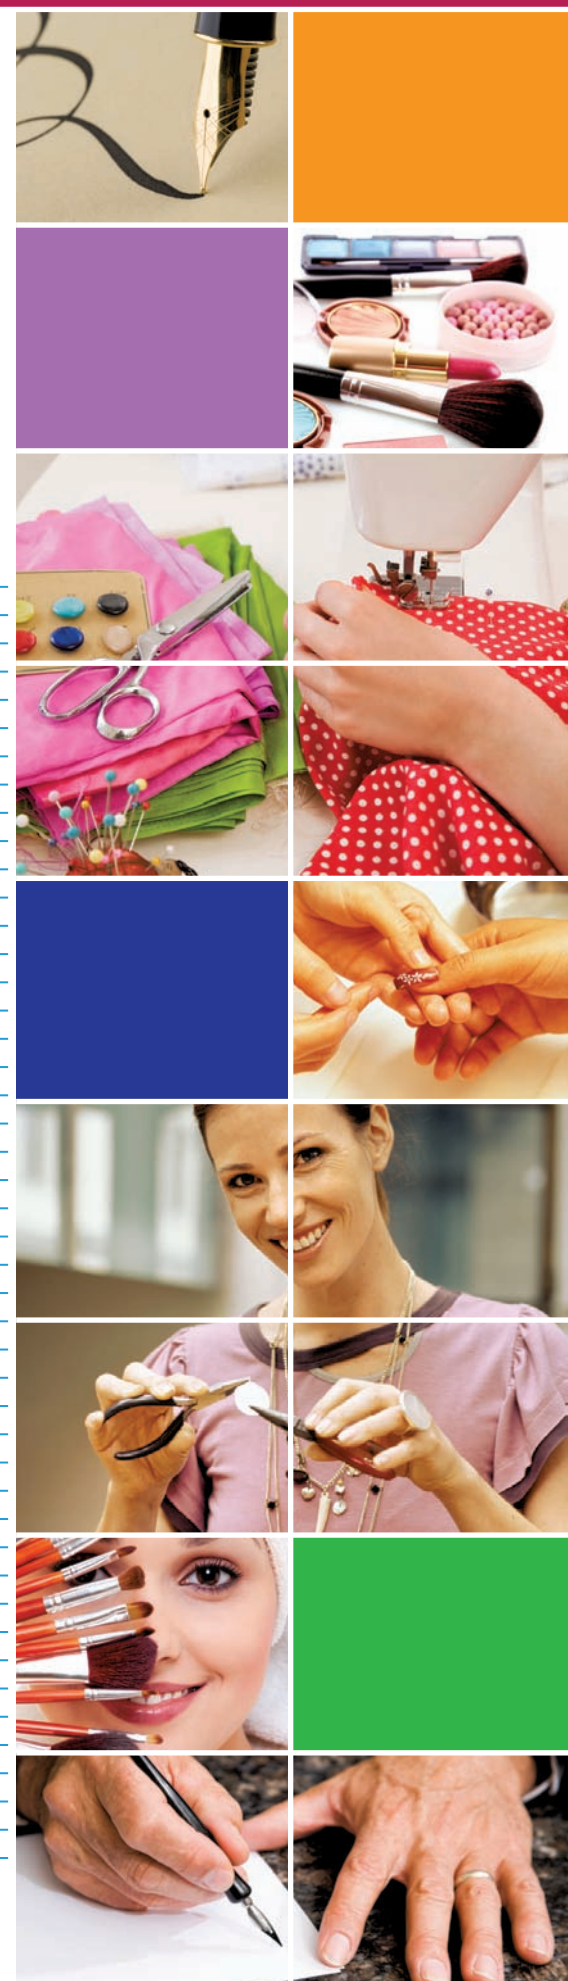

Do take the time to look down our list for the many courses we have on offer.
