Careers and Employability at Bishop Laney

Students take part in their Progression Day during the summer of Year 12, which includes mock interviews; meeting employers and current apprentices who share their experiences and provide support on applications and interviews technique.

Careers advice and guidance sessions are offered on entry to Year 12 as part of their induction programme and again during Year 13 to support university, employment or apprenticeship applications.

Guest speakers bring the realities of each sector to life for students, whilst industry mentors fire ambitions, set targets and provide advice on how to achieve them, guiding and advising about possible career options and the different routes that might be taken to secure them.

Spanish	Grade 6 or above in Spanish.

ENTRY REQUIREMENTS

Each of our Level 3 Technical courses has their own distinct set of entry requirements which reflect the course content and likely progression routes.

Level 3 Courses	Entry Requirements
Applied Science	At least 5 GCSE Grades 9 - 4 to include English and Maths; and two Science grades from either separate or combined science.
Beauty & Massage Therapies	At least 5 GCSE Grades 9 - 4 to include English or Maths.
Business	At least 5 GCSE Grades 9 - 4 to include English and Maths.
Professional Cookery	At least 5 GCSE Grades 9 - 4 to include English or Maths.
Criminology	At least 5 GCSE Grades 9 - 4 to include English and Maths.
Digital Media & Production	At least 5 GCSE Grades 9 - 4 to include English.
Exercise & Sport Science	At least 5 GCSE Grades 9 - 4 to include English and Maths.
Hairdressing	At least 5 GCSE Grades 9 - 4 to include English or Maths.
Health & Social Care	At least 5 GCSE Grades 9 - 4 to include English and Maths.
Medical Science	At least 5 GCSE Grades 9 - 4 to include English and Maths; and two Science grades from either separate or combined science

Level 2 courses each have a baseline entry requirement of a minimum of 3 GCSE or equivalent qualifications being achieved at a minimum of Grade 3.

To get the best from Level 2 courses, applicants should be aiming to study at Level 3 in the following year or move into a job, traineeship or apprenticeship in the same sector; and so alongside entry requirements, an applicant's intended progression will be explored at the student guidance meeting following their application.
