11th February 2019

Dear Parent/Carer

CMAT Team Maths Challenge

It is with great pleasure that we write to inform you that has been chosen as a member of the team that will represent Ely College at the CMAT Team Maths Challenge.

The competition combines mathematical, communication and teamwork skills and offers students another way to express and develop their enjoyment of mathematics.

The competition will take part on Monday 4th March at Swavesey Village College. We will leave school during lesson 4 and return around 5.00pm. We will be travelling by minibuss and will need your permission to transport your son/daughter to and from the venue. You will need, please, to provide your child with a packed lunch and cold drinks.

In order to promote this work, media may be invited to come along and report on the day, so I should be grateful if you could give permission for your son/daughter to be photographed or filmed if he/she is asked, or captured in the background of a shot, or is a member of the winning team.

If you have any queries, please don't hesitate to email me: mgrezio@elycollege.co.uk

Yours faithfully

Mr M Grezio
Curriculum Lead for Maths, Director of STEM, Lead Practitioner
