colleges in
the country

We have the pleasure in inviting you to Cambridge Regional College to take part in our Year 10 Taster Days on **5 and 18 June** at our Cambridge Campus and **12 June** at Huntingdon Campus. Our Year 10 Taster Days are a great opportunity to find out more about what it's like to study at college and about the subject and career opportunities available. We hope the day will give you a better idea of what you can do when you finish school in Year 11 and how our courses link into a wide range of careers.

If you are planning on going to university, considering an Apprenticeship, or looking to go straight into work after college, then this is a great chance for you to find out more. You will spend a day getting familiar with the subject of your choice, meeting staff and students, viewing our facilities, asking questions and experiencing the college. You can choose from a wide range of subjects including Art & Design, Beauty Therapy, Business, Health & Social Care, Early Years, Catering & Hospitality, Computing, Games Development, Construction, Engineering, Hairdressing, Media Studies, Motor Vehicle, Music, Performing Arts, Science and Forensic & Criminal Investigation, Sport Studies, Travel & Tourism, and Uniformed Public Services.

All activities will be run by our CRC lecturers and students in our dedicated workshops. These sessions are open to all Year 10 students. Please bring your own packed lunch on the day.

"I really enjoyed the day - it gave me a good idea of what I want to do."

"Really helpful and everyone was really friendly."
