8th November 2018

Dear Parent/Carer

DS Smith Packaging (Impact Centre) Newmarket – 20th November 2018

Your child has been taking part in an asthma challenge in conjunction with Cambridge University. Their application was successful and as a result have gone through to the national round of judging. The awards ceremony took place on Monday 25th June at The Institute of Materials, Minerals and Mining near Euston Station, London.

From this award ceremony the Cambridge University have organised for the winning students to visit DS smith Newmarket to take part in a workshop based around how their asthma challenge design ideas could be made. The students will be given a tour of the Impact Centre and work with the design team. Their ideas will be sent to the cutting table enabling students to see true industry design practice.

Students will leave school at 8:30am and return by 4:00pm.

There will also be a lunch provided, please make us aware of any dietary requirements. To attend please complete and return the slip below.

Yours faithfully

Miss V Collin
Subject Leader Technology
