

29th April 2019

Dear Parents/Carers

Mathematics Trip to the London Science Museum

We would like to invite your child to join us to attend a visit to the London Science Museum on Thursday 13th June 2019. While at the museum we will visit the Mathematics bold and thought-provoking gallery to examines the fundamental role mathematicians, their tools and ideas have played in building the world we live in. Students will also have the chance to fuel their imagination and immerse themselves in a world of wonder in the spectacular interactive gallery: *Wonderlab*. This opportunity is available to your child **for no cost** to you.

We will be leaving from Ely college at 08:30, students need to meet us outside the entrance to Needhams by 08:25 where we will register the students and leave aiming to arrive at the museum soon after 11:00. We will depart London around 14:30 and aim to be back at the school at approximately 17:00 (depending on traffic).

Students will need to bring a packed lunch and drink with them, if they are entitled to a free school meal a packed lunch from the school’s catering partner will be provided. Students will need to bring a pen but otherwise are encouraged to travel light as there is nowhere to store bags while we are in the museum.

This will be a wonderful opportunity for students to engage in a range of maths-based learning. Please complete and return the reply slip below to your maths teacher by Wednesday 8th May 2019.

If you have queries or concerns, please contact me at scollings@elycollege.co.uk

Yours faithfully

Ms S Collings
Mathematics Teacher

MATHEMATICS TRIP TO LONDON SCIENCE MUSEUM – Ms S Collings
