Dear Parent/Carer

**Neon Sports Club**

As part of our continued efforts to engage students in session 6 activities we are constantly looking to develop alternative opportunities for our students. As a result of this towards the end of last year we set up a “Neon Sports Club”, this club involved students participating in a range of neon sports and activities such as, dodgeball, badminton, dance and fitness.

We are delighted to be able to offer this club again with a broader target audience able to access this particular opportunity. The Club itself will run in the sports hall from 3.15pm to 4.15pm every Thursday from 20<sup>th</sup> September until Christmas (13 weeks). Delivery of the club is undertaken by an external facilitator who specialises in dance and engagement activities.

If you are therefore a girl in year 10 or 11 who would like to sign up to this particular opportunity all we ask is that you return the below sign-up sheet. This will help us ensure that we reach suitable numbers to make sure the provision is viable.

This opportunity is provided in combination with Living Sport Partnership and we thank them for their continued investment in our students and college.

Yours faithfully
