Dear Parent/Carer

Parents 'In The Loop' Forum - Thursday 6th June 2019

As you know we hold regular parent forums throughout the year. Forums provide parents with an open opportunity to hear about future plans, areas for development and ask any questions around school provision. Lasting for an hour, there is usually a short presentation followed by an open discussion.

The dates of these events are shared in our newsletters and on our website. Our next 'Parents In The Loop' Forum will take place on Thursday 6th June 2019 at 6.00-7.00pm in our main hall.

During our Summer term forum we invite parents/carers from our partner primaries: Downham Feoffees and The Lantern to join us on this evening. This forum deliberately coincides with our Year 6 uniform fitting evening, so we hope to welcome many of our new parents/carers to this event.

In addition to anything parents wish to raise, this time we will be raising the following topics for discussion: transition from primary to secondary, curriculum developments, charity and fundraising, staff and academy council updates, Ely College Development Plans 2019-20.

We hope you can attend and look forward to welcoming you soon.

Yours faithfully

Richard Spencer
Principal
