

5th June 2018

Dear Parents/Carers

Year 7/8 Mathematics Trip to the London Science Museum

We are getting very excited as the trip to the London Science Museum on Thursday 13th June 2019 draws near.

Students will have been told in their maths lessons that their place has been confirmed along with details of which coach the students are on and which groups they will be in during the day. There is also a copy of this information on the door to BG5 and the Turing House office. Please ask your son/daughter to make sure they know this information to allow us to leave as quickly as possible on the day.

We will be leaving Ely college at 08:30, **students need to meet us outside the entrance to Needhams by 08:25 (they DO NOT need to go to form first)**. We aim to arrive at the Museum soon after 11:00. We will depart London around 14:30 and aim to be **back at college at approximately 17:00** (depending on traffic) returning to Needhams playground again.

Students will need to bring a packed lunch and drink with them, if they are entitled to a free school meal a packed lunch from the school's caterers will be provided. Students are expected to be in school uniform and will need to bring a pen, but otherwise are encouraged to travel light as there is nowhere to store bags whilst in the Museum.

If you have queries or concerns, please contact me: scollings@elycollege.co.uk

Yours faithfully

S. Collings
