Dear Parents/Carers

Spoken Word Performance – Antarctic Science - Thursday 28th March 2019

Further to my previous correspondence, I am now in a position to provide more details about the Spoken Word performance at the Scott Polar Institute (Polar Museum), Lensfield Road in Cambridge on 28th March 2019.

We are expected to be at the Institute at 1.00pm for a tour and conversations before the students' performances. Our Science club members have been invited as an audience and we are very happy for you to also attend. We aim to leave the Institute at 4.00pm and return to college by 5.00pm.

If you are interested in attending the final performance please can you let me know by email at cseymour@elycollege.co.uk and I will confirm the performance start time.

As with our events in school, we would like to celebrate this performance and the links we have made with our partners. Below we ask you to confirm your agreement for photos and filming to be taken for promotional materials, including use on social media; either by the college, the Scott Polar staff or Press in attendance. Please be assured that your child's name will never appear along with an image without further permission.

Please can you sign and return the reply slip below to me by 20th March 2019.

Yours faithfully

Ms C Seymour
