Dear Parent/Carer

Ski Trip - February 2019

I would like to take the opportunity to say how pleased I was, along with Miss Hull and Mrs Knott, on the way students conducted themselves on the recent ski trip. It was a real pleasure to spend the week with the whole group, seeing them on the first day moving only a short distance while learning the very basics, to the end of the week, skiing and boarding down different slopes across the resort.

I do hope they all came home having thoroughly enjoyed the week, having had a positive experience, and not dampened by the extended journey time traveling home. This is something we had not experienced before and I was impressed how patient and mature students remained through a tiring wait. We will be working with the tour operator and coach company on ways to solve our transport issue in a more efficient manner should it ever arise again in the future.

I do hope your child has thanked you for the wonderful opportunity you gave them, and shared lots of stories about their skiing/snowboarding, bum-boarding, pizza night, torch light evening ski amongst other aspects of the trip!

It was a pleasure to see them all progress, become friends, make new friends while learning a lot about themselves. We shall look forward to next year's ski trip.

Yours faithfully
