Dear Parent/Carer

School Uniform

As we move into the spring term I would like to recognise the successes achieved so far in the standard and the quality of our school uniform.

The standards and expectations we have and share have not changed in terms of the style of trousers, length of skirt and formal shoes that are required. Uniform plays an important role in raising the level of professionalism that is expected from all of our students and **we appreciate your continued support in this matter.**

We currently have a minority of students that are not meeting the required standard and this will be challenged in the new term. **Therefore, if there are uniform issues please address these during the Christmas holidays.**

When we return in the New Year, on Thursday **3rd January 2019**, correct uniform will be a point of emphasis for all staff and we will be contacting home and will require any infringements to be corrected.

If you have any questions or concerns regarding uniform, please contact the relevant senior tutor or House office. We will endeavour to work with you to ensure that all of our students are able to meet the high standards that we expect.

Thank you for your continued support in this matter and in helping us maintain a high standard and improve the aspirations and outcomes of every student at Ely College. For further details and guidance on school uniform please visit our website: <http://www.elycollege.com/uniformguide>

Yours faithfully

Mr L Mawby
Vice Principal
