

26th April 2019

Dear Parent/Carer

Year 8 – PLEDGES day

On Thursday 2nd May, we will hold our final PLEDGES day of the year. We are delighted to be working in partnership with Cambridgeshire Police, who will be in school running sessions on the following topics:

- Cybersafety and online behaviour, conflict de-escalation, 'County Lines' and Knife & Gun crime.

The sessions will be led by a team of experienced, specialist officers, and their Area Commander will also be in attendance. The day will begin with an introduction by our MP, Lucy Frazer, who will explain how these issues are being addressed at government level.

Over the course of the day, the Police will be filming and interviewing students. This footage will be edited into a 3-5 minute film for use by Cambridgeshire Police on their Social Media platforms. Ely College will use it in a similar way.

If you have any questions please contact me: lyoung@elycollege.co.uk

Yours faithfully

Mrs L Young
Subject Leader PSHE
