Dear Parent/Carer

Year 7 School Photographs

Last week the school photographer took photographs of all Year 7 children for our records. You are able to purchase copies too, if you wish.

Over the coming days each child in Year 7 will be given a card from Kittles Photography. The card contains a QR code which you can scan to access your child's photograph and place orders online. Or if you prefer, you can access Kittles website and enter your child's photo ID and password and place an order that way.

We will not be collecting order slips, nor handling money – orders and transactions are online only. We will, however, take delivery of all pre-ordered photos and distribute to children, unless parents/carers pay postage and packing charges to receive these direct.

Please ask your child to keep an eye out for their Kittles card to ensure it arrives home safely!

If you need any help or support, then please contact your child's House office SSA in the first instance.

Yours faithfully

Bev Saddington
