

23<sup>rd</sup> September 2020

Dear Parent/Carer

Our Year 11 students have now reached the year which marks the end of their secondary education. It is a time when important decisions about the future have to be made and all young people will be required to stay in education or training until their 18<sup>th</sup> birthday.

Unfortunately, we are unable to hold the **Post-16 Progression Evening** in college, but we would like to invite you to a virtual event on **Thursday 1<sup>st</sup> October 6pm – 8pm**. The purpose of this evening is to give you information on the opportunities available to students when they leave school and the range of courses available to them in Post-16 Education.

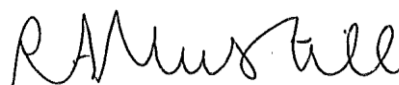

We are encouraging all parents and students to attend this event as it will give you the opportunity to meet with people from different Sixth Form Centres including Bishop Laney, Cambridge Regional College, College of West Anglia, Long Road and Hills Road Sixth Forms. In addition to this, you will also have the opportunity to hear from local apprentice employers.

Students who wish to attend must be accompanied by a parent. Pre-registration is required, please click on the following link: <https://www.bigmarker.com/form-the-future-cic/Greater-Cambridge-Post-16-Opportunities-Fair-01-10-20>. Further details will be provided once you register.

Students will be encouraged to collect prospectuses from me next week and further information about how to apply for Post-16 courses will be shared during PSHE lessons.

I look forward to seeing you at this very important event.

Yours faithfully

Mrs R Mustill  
Assistant Principal
