22nd October 2020

Dear Parent/Carer

Year 11 Assessments

Year 11 students will be sitting in-class assessments in many of their subjects from Monday 9th November 2020. These will all take place in classrooms and it is a good opportunity for students to experience an assessment period before the summer.

Students should begin to think about a revision programme if they haven't already done so. This can include half term, although we appreciate that rest and relaxation needs to be encouraged over the half term break too. Mrs Calver has been including revision tips in the Year 11 part of the weekly bulletin that students and parents will find useful. Subject teachers will have informed students about the topics and skills they need for these upcoming assessments.

Please encourage your children to prepare fully for these assessments as performance will aid teachers make their forecast grades that will be used on their applications to post-16 centres. Courses have clear entry requirements and students are unlikely to be offered places if their predictions do not match these entry requirements.

If your child is involved in any of the after school 'Year 11 Matters' sessions next half term, you will already have received notification of this. If you have a subject specific question, please contact your child's teacher directly.

If you have any questions about revision, please email Mrs Calver:

Year11House@elycollege.co.uk We want to support your child to achieve the best outcomes that they can.

Yours faithfully

Mrs R Mustill
Assistant Principal

Week Commencing Monday 9th November

Assessment	Date	Periods	Duration	Class	Room	Paper Content	Notes
Biology	Monday 9 th Nov	P1&2a	90 mins	11e1	L14	Biology Paper 1: B1 - 4	Students sit exams as per Science class groupings
			75 mins	11e2	L13		
				11e3	D2		
			90 mins	11e4	D3		
				11w1	D1
