8th December 2020

Dear Parent/Carer

Apprenticeship parent information webinar

The AIM Group works with 2,500 schools a year to talk about apprenticeship opportunities. Apprenticeships are becoming increasingly popular with our Year 11s and with hundreds of different types of apprenticeships to choose from across almost all sectors, Ely College is keen to provide as much support as possible to match that given for academic and vocational courses.

A parents' information webinar has been set up for **Wednesday 20th January 2021 from 6pm - 7pm** via Zoom, and we would like to invite you to attend. Some of what will be presented in this webinar will include how apprenticeships work, the pros and cons of them compared to college courses, and key issues to be aware of from the application process right through to their completion. There will also be the opportunity to ask questions at the end. This will be presented by AIM Apprenticeships.

If you would like to attend, please email me: SNorman@elycollege.co.uk by **Friday 18th December**. Provided there is sufficient interest, a Zoom link to the webinar will then be sent to you. Your son/daughter is very welcome to attend at the same time.

Yours faithfully

Miss S Norman
Careers Coordinator & Advisor
