26th March 2021

Dear Parent/Carer

Please find attached an overview of when many of the in-class assessments will be taking place over the next half term. You will also find a summary of the key information that students will be encouraged to revise and prepare for.

We are still digesting the details of how to effectively support Year 11-13 for their assessments, we have received a number of updates from the Joint Council for Qualifications (JCQ – body who oversee exams) just this afternoon. However, we are confident that we have a plan that will give students every opportunity to improve their grades prior to any final grades being submitted with the exam boards.

We will, of course, share more details with you after Easter, but in the meantime I hope you find this information useful.

I have also included a PDF of the assembly that I delivered to Year 11 this afternoon.

Yours faithfully

Simon Warburton
Principal
