14th April 2021

Dear Parent/Carer

On Wednesday 28th April our Year 12 students on the Sport Activity and Leadership course are required to lead a sport event for a group of participants. This will be used as their final assessment for the course. The students are planning to lead an athletics focused event based on 4 related activities (standing long jump, 30 metre dash, vortex throw and shot put (using handballs) and have been planning this for several weeks in preparation. The aim of the event is to introduce students to athletics and make sure the participants have a positive and enjoyable experience within physical education.

Your child has been selected to participate in this event along with the rest of their 7 West class as a unique opportunity to get an introduction to athletics ahead of next half term where they will be able to develop the skills further. I am, therefore, writing to inform you that they are required to come to school in their PE kit on 28th April and remain in their kit for the day. This is due to time constraints for the event and maximising time available for all aspects of the event to successfully take place.

The event will take place in your child's normal PE lesson which is timetabled for 8.30-9.30am and they will go to all lessons as normal.

Please be assured that the Year 12 leaders will remain at a 2m distance at all times when delivering their activity.

If you have any questions or concerns regarding this event then please do not hesitate to contact me: GBays@elycollege.co.uk

Yours faithfully
