Dear Parent/Carer

Your son/daughter is required to attend a Netball moderation for GCSE PE on Wednesday 14th July, from 3pm to 5pm (this may finish earlier). They must have suitable attire (school PE kit) and equipment for participating in their activities. As part of the moderation process, we will be grading and filming the skills and game for evidence if we later need to challenge a grade, bearing in mind this is worth 10% of their overall grade.

To date we have not received clear guidance on how the practical grading will be conducted by the exam boards which is why we have decided to film and grade on this date. If, however, they do decide to go ahead with a practical moderation with an examiner present, this will take place on one day during March/April 2022. This will give them valuable insight to what will be expected of them and the filming taken will be used as evidence to support the grade awarded.

If you have any queries or concerns, please do not hesitate to contact me on:

Psansom@elycollege.co.uk

Yours faithfully

P. Sansom-Roberts

Head of GCSE PE

I confirm that my son/daughter will be attending the moderation on Wednesday 14th July 2021.
