Dear Parent/Carer

## Saxophone Overture Scheme – Additional Lessons from September 2021

Thank you for your support with the saxophone group 'overture' scheme this academic year. This group lesson has been extremely successful, and therefore we are in a position to continue this scheme into the new academic year.

### Lesson details

Moving forward, we plan on making some minor changes to the lessons:

- Lessons will continue to be booked in a block of 10 lessons.
- Lessons will last for 30-minutes each week but will take place in a scheduled 40-minute time slot. This is to allow time for pack-up and tidy-up at the end of the lesson.
- Lessons will continue to take place on a Friday, but exact times will be confirmed in September.
- Lessons will be priced at £2.20 per lesson, or £22.00 for a block of 10 lessons. These pricings are on the basis that all 9 students continue to participate in the group saxophone scheme in September 2021.

Providing that you are happy with the above details, please can I request that payment is now made via WisePay for this block of 10 lessons which will be non-refundable once payment is made. The deadline for payment to be received is Friday 16<sup>th</sup> July 2021.

If your son/daughter is eligible for financial support towards the cost of these lessons, as previously discussed with Mr Newsome, please select the relevant option on WisePay.

Once all payment is received, I will contact you at the beginning of September to confirm the arrangements for the next set of 10 lessons in the new academic year.

Yours faithfully

Mr J Newsome
