Dear Parent/Carer

Year 6 to Year 7 Transition

We are pleased that the Year 7 students have now settled at college and that you have had the opportunity to meet their tutor which we hope you have found helpful.

As this is the end of the transition period that began in Year 6, we are now formally seeking your feedback on the process. We should be very grateful if you could click on the link below which will take you to the survey:

This should take no more than five minutes. Your feedback is very valuable and will be used to make changes and improvements to the transition experience that current Year 6 students will have this year. Please note the survey closes at 5pm on Friday 26th November 2021.

Students have also been asked to complete a short survey during school time.

If you have any questions about your child's transition process, please contact your child's House office in the first instance.

Yours faithfully
