

11th February 2022

Dear Parents/Carers

Year 11 Mock Exams

Commencing Monday 28th February 2022 Year 11 will be taking mock examinations in their subjects to prepare them for the final examinations in the Summer. The mock exams give students an opportunity to experience whole papers under exam conditions. They also provide teachers, and students, with information to target revision for the final exams in the Summer. The attached mock exam timetable outlines when the mock exams are taking place for each subject, the room, and the equipment required.

To ensure students are fully prepared it is essential they carefully plan and complete revision for their subjects. Staff have recorded a series of revision guidance videos on how best to approach revision for their subject and the recommended resources you should use. The videos are available on the Ely College YouTube channel which can be accessed through this link:

<https://youtube.com/playlist?list=PLQWuFAuHjllrpZpRSyg6R4CE1UCLx94aa>

We recognise that examinations – including mock exams – can be an anxious time for some students. If you feel your child is struggling please do contact their form tutor or Mrs Mustill, Year 11 Achievement Lead, for support. If you have any queries regarding the mock exams please contact me on the college number or by email: srayner@elycollege.co.uk

Yours faithfully

Ms S Rayner
Vice Principal
