

3rd March 2022

Dear Parent/Carer

COPE Golf Trip

On Thursday 17th March 2022 during periods 1 and 2, I have arranged a visit to On Par Golf Club Driving Range in Ely. We will walk to and from this venue.

This visit forms part of the ASDAN COPE course work and is a compulsory element. There is no cost required for this visit.

During the visit to the golf club students will find out about running the club and then the students will have a chance to sample the driving range and the putting green.

If you have any questions about this visit, then please do not hesitate to get in touch via my college email: ahighland@elycollege.co.uk

Yours faithfully

A. Highland

Mrs A Highland
Teacher of COPE
