

18th March 2022

Dear Parent/Carer

At the end of each school day students are dismissed from two points:

1. the gates near Downham drama studio feeding onto the Downham Road layby,
2. the back gate (near the Lantern School).

The only students permitted to exit via main reception are those in taxis or students with limited mobility (pre-arrangement with House offices). We must insist that the car park in front of reception and Bishop Laney car park is not used by parents waiting to collect students. This is leading to heavy congestion.

Sadly, we have also received complaints from residents in St Andrew's Way, Ely as some parents are blocking driveways/vehicles. Please may we ask you to be courteous of our neighbours.

We appreciate your support.

Yours faithfully

Simon Warburton
Principal
