The Health and Care Sector Work Academy is a Cambridgeshire and Peterborough Combined Authority project, run by City College Peterborough, supporting residents across Peterborough and Cambridgeshire to gain a career in health and care.

Our project helps anyone in receipt of benefit (whether employed or currently unemployed) train for the Health and Social care sector.

We offer a range of FREE flexible courses that all fit around school hours for those that have care responsibilities. We also offer bursary support with childcare, travel and caring for a dependent adult – so we can take away most of the barriers to training.

We work with a network of employers who can guarantee you an interview on completion of your course. You could be qualified and starting your new job in as little as 4 weeks!
