Dear Parent/Carer

Norwich Careers, Apprenticeship and UCAS Fair

We have been offered the opportunity to take students to a Careers, Apprenticeship and UCAS Fair at Norwich Showground on Thursday 16th June 2022. We have reserved places for all our Level 3 and A Level year 12 students and have arranged two coaches as transportation. No timetabled lessons will run on Thursday 16th June.

Key Information

- Departing college at 9am and returning at 2.30pm.
- This fair gives students the opportunity to gain a greater and deeper understanding of the different pathways open to them following their post-16 education. Throughout the day, there are seminars on a variety of topics, such as personal statement writing, student financing for University, which students can attend. A wide number of stands from universities across the country and apprenticeship providers will also be available to talk to.

This is a great opportunity for your son/daughter to gain a better understanding of the pathways available to help them make informed decisions about their future. Students will leave with resources to support them in their applications and the opportunities available.

All students need to sign up for this event by completing a form accessible via the following link:
