

14th June 2022

Dear Parent/Carer

Ely College SEND Interventions Programme

The SEND Interventions Programme has been a vibrant and energetic part of our provision this academic year, with well over 100 students benefiting. Many thanks to all students who have attended the sessions and to parents and carers who have encouraged and supported.

The week commencing 27th June 2022 will be the final week for our SEND interventions this year. This is to allow time for staff to prepare for the Year 6 transition.

This affects students who attend the following SEND sessions:

- Lexia
- Catch Up Numeracy
- Catch Up Literacy
- English support
- Speech and language support
- One-to-one homework support
- Spelling
- Fun Maths
- Maths support
- Reading comprehension
- SEND EAL support

Please remind your child that there will be no SEND interventions in the last three weeks of term. Students who need to stay for Session 6 are welcome to work in the LRC where a member of staff will supervise them.

Please email any queries to Charity Novick, Assistant SENCO: cnovick@elycollege.co.uk

Yours faithfully

Sally Kay
Assistant Principal
