Dear Parent/Carer

Warm Weather

In anticipation of the temperature exceeding 32° on Friday we are encouraging students to wear their college PE kit instead of their usual college uniform (this includes Yr 11 students sitting exams on Friday).

Can we also recommend that students have a water bottle and apply some high protection sunscreen. Whilst we feel that this is a sensible response to exceptional weather, we hope this temporary deviation in uniform is taken in good faith. We will take a very dim view of students attempting to wear anything other than the college PE kit this Friday.

Thank you for your support.

Yours faithfully

Simon Warburton
